Part 1: Coaching Agreement

> ***A note from Christina:*** *Hey love — I know legal documents aren't exactly fun reading, but this one matters. It protects both of us so we can do the real work without weirdness. I've written it in plain language on purpose — no legalese fog. Read it through, ask me anything, and let's get started.* 💛

SHE'S THE VIBE CO — COACHING SERVICES AGREEMENT

This Coaching Services Agreement ("Agreement") is entered into as of the date signed below ("Effective Date"), by and between:

- **Coach:** Christina Wood, doing business as **She's The Vibe Co** ("Coach")
- Email: christina@shesthevibe.co
- Phone: (949) 844-7844
- **Client:** The individual named in the signature block below ("Client")

Coach and Client are each a "Party" and together the "Parties."

---

1. SERVICES

Coach provides one-on-one life coaching services ("Services") in the following tracks. Client and Coach will select the track (or combination) that best fits Client's needs during the discovery process:

- **UNTANGLED — Divorce & Separation Support.** Coaching for navigating divorce, separation, and co-parenting with clarity and self-trust. Emotional support and practical strategy — not legal advice.

- **CYCLE BREAKER — Breaking Generational Cycles.** Coaching for identifying inherited patterns, healing old wounds, and building a different way forward for yourself and your family.
- **SOFT RESET — Burnout Recovery.** Coaching for recovering from burnout, rebuilding energy, and designing a sustainable rhythm that doesn't run you into the ground.

Coaching is a collaborative, forward-focused process. Coach will use conversation, reflective exercises, goal-setting, and accountability structures tailored to Client's track and goals.

Coaching is not therapy, counseling, or medical treatment. See Section 9.

---

2. SESSION STRUCTURE

- **Format:** All sessions are conducted via live video call unless otherwise agreed in writing.
- **Length:** Standard sessions are sixty (60) minutes. Discovery calls are twenty (20) minutes and complimentary.
- **What's included in each package:**
- Live coaching sessions per the selected package
- Written session recap + worksheets delivered within 24 hours of each session
- Between-session support via text or voice message, Monday–Friday (Coach responds within 24 hours)
- 8-session packages additionally include one (1) complimentary 30-minute check-in call within 30 days of package completion

Package timelines (to protect momentum): - Single sessions: to be completed within 30 days of purchase - 4-session packages: to be completed within 6 weeks of the first session - 8-session packages: to be completed within 12 weeks of the first session

Sessions not completed within these windows expire without refund, unless an extension is agreed in writing. Life happens — if you need more time, just talk to Coach before the window closes.

---

3. FEES & PAYMENT

Client selects one of the following packages at enrollment:

Track	Single Session	4-Session Package	8-Session Package
Untangled	$175	$597	$997
Cycle Breaker	$175	$597	$1,097

4-session package	50% of package price	Remaining 50% due before Session 3
8-session package	First of 3 equal payments	Remaining payments due monthly, before Sessions 4 and 7

- Payment is accepted via major credit/debit card through Coach's secure payment processor.
- A package is not confirmed until the deposit is received.
- **Late payments:** If any payment is more than seven (7) days past due, sessions will pause until the account is current. No shame, just boundaries.
- Receipts are emailed automatically after every payment.

---

4. RESCHEDULING POLICY

Life happens — on both sides. Coach extends the same grace she needs.

- **More than 24 hours' notice:** Reschedule free, no questions asked. Just rebook.
- **Less than 24 hours' notice:** The three-strike system applies (to both Parties):
- **Strikes 1 and 2:** Grace. No penalty. Kids get sick, dogs have emergencies, things come up.

- **Strike 3 — Client cancels:** The session counts as used. It is treated as a missed session and is non-refundable.
- **Strike 3 — Coach cancels:** Client receives one (1) complimentary session added to their package.
- Strikes reset at the start of each new package.
- **No-shows:** A session missed without any communication counts as a strike. Client agrees to communicate — a quick text is all it takes. Communication goes both ways.

---

5. EARLY TERMINATION & REFUNDS

Client may end a package early at any time by notifying Coach in writing (email is fine).

- **Before Session 1:** Full refund of all amounts paid. No questions asked.
- **After Session 1 but before Session 2:** Refund of remaining balance, minus (a) the cost of Session 1 billed at the single-session rate for Client's track, and (b) a $75 administrative fee.
- **After Session 2:** Completed sessions are recalculated individually at the single-session rate for Client's track (the package discount no longer applies). Any remaining balance after this recalculation is refunded to Client. If the recalculation shows a balance owed, Client agrees to settle it within fourteen (14) days.

Package sessions may be transferred to another person only with Coach's prior written approval.

---

6. COACH'S RIGHT TO TERMINATE

Coach reserves the right to discontinue the coaching relationship at any time, at Coach's sole discretion, including but not limited to situations involving abusive, racist, threatening, harassing, or otherwise unsafe behavior toward Coach.

If Coach terminates under this section: - Coach will communicate the reason directly to Client. - Client will be refunded according to the early-termination calculation in Section 5 (sessions recalculated at the single-session rate). - This provision exists to keep coaching a safe, respectful space for everyone.

---

7. CONFIDENTIALITY

Coach agrees to keep all information shared by Client during coaching strictly confidential and will not disclose it to any third party without Client's prior written consent, **except** as required in Section 8 (Mandated Reporting) or by valid legal process (such as a court order or subpoena).

Client agrees to keep Coach's proprietary materials — including worksheets, frameworks, exercises, and program content — for personal use only and not to reproduce, distribute, or share them without Coach's written permission.

Note: Video sessions and messages are not conducted on HIPAA-covered platforms. Coach is not a covered entity under HIPAA. Coach nonetheless treats Client information with the seriousness it deserves.

---

8. MANDATED REPORTER DISCLOSURE

Coach is a mandated reporter in the state of California. This means that if, in the course of coaching, Coach learns of or reasonably suspects:

- Child abuse or neglect,
- Elder or dependent adult abuse or neglect, or
- A threat of serious physical harm to Client or another identifiable person,

Coach is **legally required** to report it to the appropriate authorities (such as Child Protective Services, Adult Protective Services, or law enforcement), even without Client's consent.

Client acknowledges this disclosure by signing below. Everything else shared in coaching remains confidential as described in Section 7. Coach will be upfront with Client if a reporting obligation ever arises.

---

9. COACHING VS. THERAPY — IMPORTANT DISCLAIMER

- Christina Wood is a **certified life coach** (Life Coaching + NLP Practitioner) and a **Certified Positive Parenting Coach**. She is **not a licensed therapist, psychologist, counselor, or medical professional**.

- Coaching is **not** a substitute for therapy, counseling, psychiatric care, or medical treatment. Coaching does not diagnose or treat mental health conditions.
- Coach does not provide legal advice. Divorce & Separation Support coaching addresses the emotional and practical dimensions of the process; it is not legal counsel, and Client is encouraged to consult a licensed attorney for legal matters.
- If Client is currently in therapy or under medical care, Client agrees to consult their provider about adding coaching, and to inform Coach.
- If, during coaching, Coach believes Client would be better served by a licensed professional, Coach will say so honestly and may refer Client accordingly.

---

10. NO GUARANTEE OF RESULTS

Coaching is a partnership. Coach commits to showing up fully prepared, present, and honest. Client's results depend on Client's own engagement, openness, and follow-through. Coach makes no guarantees about specific outcomes, timelines, or results.

---

11. CLIENT RESPONSIBILITIES

Client agrees to: - Show up on time and prepared for sessions (camera on preferred; real life welcome — pajamas and coffee are fine) - Communicate honestly, including about scheduling changes - Complete agreed-upon action steps between sessions to the best of their ability - Inform Coach of any relevant health or safety concerns that could affect coaching - Treat Coach with the same respect and professionalism Client expects in return

---

12. TERM

This Agreement begins on the Effective Date and continues until the selected package is completed, terminated under Section 5 or 6, or otherwise ended by mutual written agreement.

13. GOVERNING LAW & DISPUTES

This Agreement is governed by the laws of the State of California. The Parties agree to attempt to resolve any dispute through good-faith conversation first, then mediation in Orange County, California, before pursuing any other remedy. If mediation does not resolve the dispute, either Party may pursue binding arbitration or litigation as permitted by law.

14. GENERAL PROVISIONS

- **Entire Agreement:** This Agreement, together with the Informed Consent, Intake Form, and Payment Authorization signed by Client, constitutes the entire agreement between the Parties regarding coaching services.
- **Amendments:** Any changes must be in writing and signed by both Parties.
- **Severability:** If any provision is found unenforceable, the remaining provisions continue in full effect.
- **Notices:** Written notices may be sent by email to the addresses listed above.

Part 2: Informed Consent

> ***A note from Christina:*** *Before we start, I want you to know exactly what you're stepping into — what coaching is, what it isn't, and what your rights are. Read this like you'd read anything that matters, because it does. And if anything's unclear, ask me. Always.* 💛

SHE'S THE VIBE CO — INFORMED CONSENT

Coach: Christina Wood, She's The Vibe Co (christina@shesthevibe.co)

---

1. WHAT COACHING IS

Life coaching is a collaborative, forward-focused partnership. Together, we will:

- Clarify where you are now and where you want to be
- Identify patterns, beliefs, or habits that may be holding you back
- Set meaningful, realistic goals
- Build practical strategies and action steps
- Create accountability so momentum doesn't fizzle out

Coaching draws on conversation, reflective exercises, and proven frameworks. It is action-oriented and centered on your growth, in your words, on your terms.

---

2. WHAT COACHING IS NOT

Please read this carefully — it matters:

- **Coaching is not therapy.** Christina Wood is a certified life coach (Life Coaching + NLP Practitioner) and Certified Positive Parenting Coach. She is **not** a licensed therapist, psychologist, counselor, or medical professional.
- **Coaching does not diagnose or treat** mental health conditions, including depression, anxiety, PTSD, eating disorders, or any other clinical condition.
- **Coaching is not a substitute** for medical care, psychiatric care, or psychotherapy.
- **Coaching is not legal advice.** If your track touches on divorce or separation, coaching addresses the emotional and practical dimensions only. Consult a licensed attorney for legal matters.
- **Coaching is not crisis intervention.** If you are in crisis, see Section 7.

If you are currently working with a therapist, psychiatrist, or medical provider, you are encouraged to discuss adding coaching with them.

---

3. VOLUNTARY PARTICIPATION

Your participation in coaching is **entirely voluntary**. You are choosing to be here, and that choice matters.

- You may ask questions at any time — about the process, the methods, or anything else.
- You may decline to answer any question or skip any exercise. No explanation required.
- You may end the coaching relationship at any time (see the Coaching Agreement for refund terms).

---

4. BENEFITS AND RISKS

Potential benefits of coaching include greater self-awareness, clearer goals, improved coping strategies, stronger boundaries, better communication, and meaningful progress toward the life you want.

Potential risks — coaching isn't always comfortable: - You may experience difficult emotions (sadness, anger, grief, frustration) as we explore honest topics. - You may feel temporarily unsettled as old patterns are examined. - Insights from coaching can affect relationships as you change how you show up in them. - Progress isn't always linear. Some weeks will feel like breakthroughs; others like standing still. Both are normal.

Coach will hold the space with care, but cannot eliminate all discomfort from growth.

---

5. CONFIDENTIALITY AND ITS LIMITS

Everything you share in coaching is confidential and will not be disclosed without your written consent, **except** in the following circumstances:

1. **Mandated reporting (California):** Coach is a mandated reporter. If Coach learns of or reasonably suspects child abuse or neglect, elder or dependent adult abuse, or a threat of serious physical harm to you or another identifiable person, Coach is legally required to report it to the appropriate authorities — even without your consent. **Please initial here to acknowledge you understand: _____**
2. **Legal process:** If ordered by a court (subpoena, court order), Coach may be compelled to disclose information.
3. **Consultation:** Coach may discuss cases in general, de-identified terms with professional mentors or supervisors for quality purposes. Your identity will never be revealed.

---

6. COMMUNICATION BETWEEN SESSIONS

- Between-session support is available via text or voice message, **Monday–Friday**. Coach responds within 24 hours.
- This support is for coaching continuity — reflections, quick questions, accountability check-ins.
- **It is not a crisis line.** If you are in crisis, use the resources in Section 7, not text/voice messaging.

---

7. EMERGENCY PROCEDURES

Coaching is not crisis support. If you are experiencing a mental health emergency, thoughts of harming yourself or others, or any urgent safety concern:

- **Call or text 988** — Suicide & Crisis Lifeline (24/7, free, confidential)
- **Text HOME to 741741** — Crisis Text Line (24/7)
- **Call 911** — if there is immediate danger
- **Go to your nearest emergency room**

Coach is not available for crisis intervention and cannot guarantee immediate response outside of scheduled sessions.

---

8. RIGHT TO WITHDRAW

You may withdraw from coaching at any time, for any reason, without penalty beyond the refund terms described in the Coaching Agreement. If you choose to withdraw, Coach will provide referrals to other resources if you'd like them.
